The democratic government of Greenwood High School is carried on by the faculty and the Student Council. The Student Council is made up of two representatives from each grade, the president of the student body, and a secretary. A faculty adviser is chosen each year by the Council. This year the members chose Efton R. Henderson, supervisor of science. The Student Council and the sponsor representing the faculty work together to govern the school and carry out the few rules.

It has been found that in a training center for teachers, as is Greenwood, a government of this sort is most satisfactory.

The Greenwood Drum Corps was organized in the fall of 1937. It was founded to
 promote school spirit and to sit in a body at all home athletic contests. Under the expert su-
 pervision of Miss Henrietta Keller and Mrs. Florence Bugg, the Drum Corps has grown from
 eighteen members to a group of forty complete with drums, bugles, cymbals, twirlers, flags,
 and bells.

The uniforms are colorful but simple: white skirts, blue jackets, white shoes, socks,
 and gloves, and blue military hats. The blue drums, shiny bugles, and four beautiful flags
 add to the harmonious picture the Drum Corps presents.

This year the Drum Corps marched at home football and basketball games. It was co-
 ordinated with the G.S.A.A. at the football banquet. Because of travel restrictions, the group
 cannot attend any out-of-town games in a body.

The Drum Corps supports all school interests and is an outstanding activity for the
 girls of Greenwood.

This year the senior drum major was Sally Jo Johnson, and the junior drum major was
 Sylvia Smith.

FOOTBALL

On September 1, Coach Collins began to form the 1944 football squad. The necessary additions to seven returning lettermen were made, and after the rigid pre-season practice, the team was ready to open the season at Bolivar on September 29.

The initial game proved to be a 13 to 0 disappointment at the hands of the Bolivar griders. The team gathered momentum in the next game defeating Sarcoxie 19 to 0. The team, encountering Bolivar again, played well, but failed to turn the trick as Bolivar won again by the same score, 13 to 0. The Blue Jays romped through the next game defeating Pierce City 51 to 6. The Sarcoxie team provided spunky opposition as the team won again 25 to 7. In the final grid-duel of the season, the Jays' line proved its prowess by holding the Willow Springs powerhouse to only seven points.

The scoring record this year was very good with the Jays scoring 114 against their opposition's 52. Hard-hitting Joe Schmalhorst and fleet-footed Jim Sunderland figured heavily in this column. The team won 4 and lost 3 games this year.

The following are this year's lettermen: SENIORS, Harry Ben Carr, David Nolting, George Griot, Bob Vinyard, and Bob Morrison; JUNIORS, Bob Feather, Joe Schmalhorst, Paul Rich, Tommy Anderson, Jim Sunderland, Francis BoVier, Bert Crain, Norman Teem, Lawrence Brandt, Pete Burns, and Erwin Busiek; SOPHOMORES, Pete H'Doubler, Bob Durbin, Tommy Clark, Hal Brown, Bob Neely, Robert Nolting, John Christian, and Jim Moore.

There are no laurel wreaths of championships decorating the trophy case of Greenwood High School's Blue Jays this season, but its members and mentor, "Speedy" Collins, can look back on a very successful season. The Blue Jays, winning 13 games and losing 7 during the course of the season, ran up against some of the region's strongest cagers. They amassed 569 counters against their opposition's 592. Lanky Joe Schmalhorst was the top scorer with a spectacular 281 tallies.

Greenwood's basketball season started at the Willard Tournament five days after the last football game. After dropping the first game to Strafford 22 to 37, the Blue Jays proceeded to defeat Willard 22 to 21 and Bois D'Arc 29 to 19 for consolation honor.

Greenwood ran its winning streak to five straight in overcoming Billings 39 to 30, Mount Vernon 41 to 29, and Rogersville 54 to 34, only to lose to Bolivar in the first home game of the season 22 to 24. Greenwood, leading 12 to 11 at the half, lost the game during the third quarter when Bolivar out-scored the Jays 11 points to 2.

The team hit a winning stride again by defeating Ozark 25 to 23 after Erwin Busiek hit a one-handed shot from the corner in the last thirty seconds of play. Behind 9 to 18 at the half, the Jays held Ozark to a blank while drawing to a 13 to 18 third quarter score and then surged ahead in the drive to the wire.

Marshfield and St. Agnes won the next two from Greenwood. Marshfield outplayed the Greenwoodites by a 47 to 30 count. St. Agnes, after trailing the Jays until the last 5 minutes of play, surged ahead to win 31 to 25.

Greenwood won the next six games by defeating Billings 38 to 32 in a rematch; by avenging an earlier defeat at the hands of Bolivar when Bob Nolting shot a basket in a sudden death overtime to win 29 to 28; by romping over Aurora 36 to 21; by swamping Rogersville 53 to 34; by reversing another earlier defeat by Marshfield with Joe Schmalhorst showing the way to a 49 to 38 victory with his outstanding contribution of 31 points, 24 of these coming in the second half; and by defeating Ozark again 25 to 24 when Bob Morrison made a "carefully placed field goal" in the last minute of play.

Aurora ended this string by a 39 to 37 count in the last road trip of the season. The Jays bounced back in the next game to wallop Mount Vernon 55 to 27 after trailing 22 to 23 at the halftime. Republic defeated the Blue and White in the sub-regional by a 24 to 29 margin. St. Agnes repeated its earlier win over Greenwood by defeating the Jays in their final game of the season 34 to 38.

 The team consists of the following members, with their respective positions, as follows:

Greenwood's outstanding track teams over the last nine years have won 29 and tied one out of 33 scheduled meets. Besides these regularly scheduled meets, Greenwood has been State Class C champions four times, State Class B indoor winner once, and second place winner three times.

Last year's team took first in a meet with Rogersville and Marshfield and third in the West Plains Invitational, Greenwood Invitational, and State Class C Meets.

This year's schedule is:

April 4-5-6	-	Interclass Meet
April 14	-	Class C Oarkamo meet at Greenwood
April 20	-	West Plains Invitational at West Plains
April 27	-	Oarkamo at Greenwood
May 5	-	State Class C Meet at Columbia

Lettermen returning to the 1945 squad are: Jim Sunderland, captain, 220 and 100 dash man; Joe Schmalhorst, high and low hurdler; David Nolting, 440 yard man; Bob Feather, relay and dash man; Francis BeVier, 880 and relay man; Hal Brown, 220 and relay man; Bert Crain, quarter and relay man; and Bob Durbin, miler.

The Carl A. Davis Medal is the highest honor given at Greenwood to the boy who excels in athletics and scholarship. To earn this medal a boy must letter in three sports and be on the honor roll every six weeks. There is also a silver medal which is awarded to boys who letter in one or two sports and maintain an average of 8.

This medal is named for Carl A. Davis, an S.T.C. student and athlete. Mr. Briggs has been quoted as saying that Mr. Davis was the finest athlete he ever had known. Since Mr. Davis was not graduated from Greenwood, it is hoped that some alumnus will be worthy of having the medal renamed in his honor.

Since 1928, the following boys have won the Carl A. Davis medal:

G.G.A.A.

The Greenwood Girls' Athletic Association was organized in 1930 as a result of the growing interest in girls' sports. The purpose of this organization is to promote good health, clean living, and to develop a higher degree of sportsmanship in class work and school spirit. Its motto is "A girl for every sport and a sport for every girl".

This year the organization offered these sports: swimming, tennis, archery, basketball, baseball, and hiking. For their participation in these sports, girls may win sweaters, chevrons, letters, and medals. The G.G.A.A. gave a play night, and a combined play night and buffet supper, for the rest of the girls of the high school this year.

Mrs. Florence Bugg has sponsored this group since it was organized. The officers for the school year of 1944-1945 were: Charlotte Walch, president; Doris Fay, vice-president and treasurer; and Carolyn Adamson, secretary.

NATALIE BRIGGS MEDAL

The highest athletic award given to a girl in Greenwood is the Natalie Briggs medal. This medal was named for a Greenwood graduate, Natalie Briggs, who was decided on by the faculty as being the girl who stood first in athletics, scholastic ability, and citizenship. Any girl receiving this medal must be on the Honor Roll throughout the school year, letter in four different sports, and have the approval of the entire faculty.

These girls have won the medal in past years:

TRADITIONS

FOOTBALL BANQUET

The Drum Corps and the G.C.A.A. entertained the football team Wednesday, November 23, 1944. Tables, arranged in the shape of a "G", marked the scene of festivities, the Study Hall. Placecards were at each place - books for the faculty, football jerseys for the boys, and megaphones for the girls. A team of miniature players scrimmaged on the speakers' table.

After an excellent dinner, the toastmistress, Charlotte Walch, called on Coach "Speedy" Collins, David Nolting, Harry Ben Carr, Dr. Trentham, and next year's captain, Tommy Anderson, for speeches. As an added attraction, the seniors put on a skit - the subject of which was a faculty meeting.

The banquet was a fitting climax to an exciting football season.

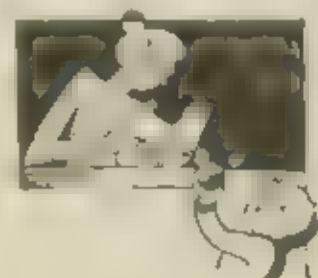

LES FRANCAIS GAIS

Once again the French Club was organized by the second year French students, thus carrying on the tradition set in 1917 by Dr. Anna Lou Blair, the language supervisor at the college and Greenwood.

This year the club spent several delightful evenings at various homes, playing games and conversing in French. It was decided at the first meeting that a fine of one cent for each word be imposed upon any of the members who spoke English during a meeting. The club decided to have in the spring a dinner at the Kentwood, paid for by the proceeds of this scheme. The idea was abandoned, however, because of lack of funds.

The officers of this year's club are the following: President, Suzanne Madison; Vice-President, Charlotte Walch; Secretary-Treasurer, Patsy Mack.

"Ever Since Eve"

"Ever Since Eve," the senior class play this year, by Florence Myers and Colin Clements, was presented in the college auditorium May 14.

The plot of the three-act comedy is based on the belief that women have been disturbing the lives of men ever since Eve. The trouble Susan Blake encounters when she attempts to help Johnny Clover, editor of the Penguin "High School" newspaper, and the paper furnish the humorous aspects of the play. The comedy, suspense and the romantic interest help to produce an enjoyable play.

HONOR DAY

Honor Day, the loveliest tradition of the school year, is held in the flower-decked gymnasium at the beginning of Senior Prom Week. In the afternoon those who have achieved special honors are awarded red roses. Students are honored for scholastic attainments, for serving on the student council or as class president, and for participation in various sports. One member representing the band and one member representing the art clubs are honored for these two organizations.

This is the occasion on which Fair Greenwood and Sir Greenwood, who are chosen for personality, popularity, and good looks, are introduced by the president of the student body, and Fair Greenwood in turn crowns the First Citizen, who is chosen for scholarship, leadership, and citizenship. After an address by a parent of one of the winners, Mr. Trimble presents the honored students, reading their names and the activities for which they are being honored.

To the strains of "To a Wild Rose," Fair Greenwood admits the students to "The Order of the Rose." This is done by the giving of a single American Beauty rose to each person.

It is with great pride that all students participate in or watch Honor Day. Those who have worked hard during the year feel that their industry has been rewarded, and those who do not receive roses plan that the next year they will work harder so that they will also become members of "The Order of the Rose."

The following students have achieved the posts of Fair Greenwood, First Citizen, and Sir Greenwood in the past years:

VALEDICTORIAN

David Molting, with an average of 9.77, is the highest ranking student in this year's senior class. Besides maintaining a high scholastic standing throughout his 11 years at Greenwood, he has also excelled in sports, winning the Carl A. Davis Medal. David was a member of the Senior Honor Society; and, because of his fine qualities of citizenship and leadership, was also elected President of the Student Council and chosen First Citizen.

SALUTATORIAN

Earning the second highest average is Charlotte Walch, a student at Greenwood for 13 years. Her average was 9.30. Charlotte was a member of both the Junior and Senior Honor Societies and was a winner of the Natalie Briggs Medal. She is the editor of this year's annual and has held numerous other offices, including the presidency of the G.G.A.A. and membership in the Student Council.
